RESPONSIBILITIES OF CERTIFICATION

A person who lines or supervises the lining of tanks as a certified tank system liner shall be present at the job site for at least all of the following activities:

- Pre-installation tank system testing
- Inspection and repair of coatings
- Placement of tanks
- Installation and testing of all connections and tank-related piping including vapor recovery, vents and supply pipes
- Installation of monitoring devices or leak detecting devices
- Installation of pumps and dispensers
- Installation of any underground piping.

A person who holds the certification shall carry on his or her person the certification card issued by the department while performing or conducting the activity or activities permitted under the certification.

EXAMINATION

In order to obtain the certification the applicant must obtain a score of at least 70% on an examination. The exam is **open book** and will cover:

ATCP 93 – [Flammable, Combustible and Hazardous Liquids Code](#)

SPS 305 – [License, Certification and Registration](#)

NFPA 30 – [Flammable and Combustible Liquids Code](#)

NFPA 30A – [Code for Motor Fuel Dispensing Facilities and Repair Garages](#)

PEI 200 – [Recommended Practices for Installation of Aboveground Storage Systems for Motor Vehicle Fueling](#)

Exam Materials:

- For copies of current Wisconsin storage tank regulations visit the DATCP [website](#)
- Laws and regulations: https://datcp.wi.gov/Pages/Programs_Services/PetroleumHazStorageTanksLawsRegulations.aspx
- For NFPA materials contact the National Fire Protection Association by phone: (800) 344-3555.
- For PEI materials contact the Petroleum Equipment Institute by phone: (918) 494-9696.

The exam schedule is available on our [website](#) or call (608) 224-4942

Exam applications must be received by DATCP not later than 10 days prior to the test date.

You will receive the first available exam date unless you specify a specific date here: _____

You will receive a notification letter with instructions from DATCP prior to the test date. Applicant must provide photo ID to gain admittance to examination.

*Please mark your first and second preferred test site locations below:**

_____ La Crosse _____ Madison _____ Milwaukee _____ Oshkosh _____ Stevens Point

*We cannot guarantee a location you choose will be available.

Courses and exams are also offered at Lakeshore Technical College. For a schedule visit their website <http://gotoltc.edu/> or contact Ruth Semph by phone: (920) 693-1167 or email: ruth.semph@gotoltc.edu

NOTE:

You still need to complete this exam application form and submit payment to the address on page 1 in order to take the exam.

EDUCATION HOURS REQUIRED TO RENEW

The renewal of a certification as an Aboveground Tank System Installer shall be contingent upon the installer obtaining at least 12 hours of acceptable continuing education prior to the expiration date of their certification.

ACKNOWLEDGEMENT

By signing below, the applicant certifies that all information provided on this application is true, accurate and that the certification requirements are met.

Notice: Information including personally identifiable information collected may be used for participation surveys, eligibility for approvals, law enforcement (including child support and tax delinquency enforcement) purpose, other secondary purposes and purposes other than that for which it was originally collected. (*sec. 15.04(1)(m), Wis. Stats.*). The Department may also provide this information to requesters pursuant to Wisconsin's open records law, ss. 19.31-19.39, *Wis. Stats.* Social security numbers are required when individuals apply for a license according to Wisconsin Stats., but they may not be disclosed to anyone except other State of Wisconsin governmental agencies and must be held confidential. Social security numbers are not to be entered on this form.
